

# PARENT-CHILD PROGRAM

1 to 3.5 years old

Parent-Child classes mirror the rhythms and activities of a Waldorf Early Childhood classroom. Parents/caregivers accompany their children in circle and story time, creating simple crafts, baking bread, playing games and enjoying physical movement. Outdoor time ends each class, as weather permits. Classes meet one time a week from 9:15-11:30 am.

Parents have an opportunity to mingle with each other to discover the framework of Waldorf-inspired best practices. Parents explore the importance of rhythm in the home, early movement on motor organization and speech development, and how to support their child's budding interest in play.

Children and parents are welcome to join either class at any time during the session!
