

Holiday Cards for Kindermarket

Can be made by your choice and we welcome your imagination. There are some ideas below:

1. Paint chip Christmas Cards

- Any color card stock (and envelope) – can be provided by the school
- Paint chips from Home Depot or any other hardware store that sells paint
- Foam glitter star and /or sticker rhinestones
- Glue or double sided tape

2. Buttons OR Gemstones Holiday Card

- Any color card stock (and envelope) – can be provided by the school
- Buttons and/or oversized gemstones in Christmas colors
- Permanent, fineline marker
- Hot glue

Optional: If you're good at calligraphy or have a mini alphabet stamp kit, add a greeting to the front of your card
