

Parent-Child class, for children ages 18 months - 3.5 years, mirrors the rhythms and activities of a Waldorf Early Childhood classroom. Parents/caregivers accompany their children in circle and story time, creating simple crafts, baking bread, playing games and enjoying physical movement. Outdoor play time is included in each class in all but the most inclement weather. Parents have an opportunity to mingle with each other to discover the framework of Waldorf-inspired best practices. Parents explore the importance of rhythm in the home, the role of early movement in motor organization and speech development, and how to support their child's budding interest in play.

**Classes meet once each week from 8:45-10:45 a.m.**
