

Tic - Tac - Toe Game in Burlap Bag for Kindermarket

Materials Needed:

- 10 clean River Rocks OR 10 Gemstones in two different colors (5 of each)
- Small Burlap Bag (provided by the school)
- White paint for the rock designs
- Black permanent marker OR black paint

Instructions:

- If working with the river rocks:
 - Make sure rocks are cleaned with dish soap and completely dry. Flat rocks work the best
 - Paint X's and O's on them with white paint (5 of each)
 - *Optional:* apply Mod-Podge on top of rocks, to prevent the paint from chipping (or skip this step)
- If working with Gemstone:
 - Choose 10 Gems of two different colors, with flat bottoms – 5 of each color
- Draw a grid on the burlap bag with black permanent marker (or black paint) – 2 lines vertical and 2 lines horizontal
- Add painted river rocks OR gemstones to the burlap bag. Close the bag. Tap yourself on the shoulder – you just made one cute Tic - Tac - Toe game! 11 more to go!
- Refer to the pictures on the left for inspiration and guidance

Thank you for volunteering!
